Improvemnt in the quality of Construction by the DDA

1442. SHRIMATI KRISHNA KAUL: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether the DDA has initiated any measures for improving the quality of its constructions; and

(b) if so, what are the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Yes, Sir.

(b) Delhi Development Authority has reported that the following steps have been taken in this regard:—

"In respect of materials available with ISI mark, it is being ensured that these are used on the works of DDA. Important materials like cement, steel, SCI pipe, GI pipes etc. of the required quality are procured departmentally by the DDA and issued to the contractors. Instructions have been issued to the field staff to ensure that works are carried out strictly according to specifications. Mandatory tests are carried out on materials brought to the site of work. For concrete work, cube tests are carried out. Under each Chief Engineer, a Quality Control Cell has been created to help him in conducting checking of work under his zone. An independent Quality Control Cell headed by a Chief Engineer(QC) works directly under the Vice-Chairman and conducts randum and surprise checks of various works. Defects noticed during these inspections are prominently brought to the notice of the Chief Engineer concerned and site staff so that immediate remedial measures are undertaken. In some cases, the works are reinspected to ensure that rectifications have been carried out. Where considered necessary action is initiated [illegible] and contractors responsible for executing poor quality of works."
